

## Mission Statement

1. *To provide a clean, safe, secure, and humane environment for inmates assigned by the Department of Corrections classification process.*
2. *Through staff interaction and programming, to provide opportunities for inmates to develop usable skills in order to explore their own potential for becoming law-abiding productive citizens of the community.*
3. *To screen the behavior of inmates, to allow further classification to more appropriate levels of confinement consistent with public safety.*
4. *Through team effort and continuous training, to achieve a high level of professionalism, this will allow staff to be more effective role models in their interactions with inmates.*
